

Native Pride Design Orange Shirt Day

Ki'su'k Kyukyit,

At Native Pride Design we believe that relationships are important. We aim to empower our clients, customers, and supporters by ensuring we engage in meaningful opportunities to learn and grow together. As an Indigenous business, owned by a member of Yaqan Nukiy (Lower Kootenay Band), as part of the Ktunaxa Nation, we encourage you to support our local business, especially during times of advocacy and awareness.

Orange Shirt Day is an opportunity to raise awareness and support our Indigenous neighbours as we continue to take meaningful steps toward reconciliation. This day acknowledges that residential schools are a part of our history. Wearing an orange shirt is a national movement to recognize the experience of those who went to Indian residential schools, to honour them, and show a collective commitment to ensure that Every Child Matters.

We relish the opportunity to work together and share in our commitment to ensure healthy working relationships moving forward. By supporting Native Pride Design you will also be supporting #kamni'tik Childrens Truth and Reconciliation Society and the Ktunaxa people collectively, as a bulk of the proceeds from our Orange Shirts will be donated to the society to support their efforts.

In 2024 we were happy to deliver over \$2500 directly to Ktunaxa Survivors through #kamni'tik. This was only possible with your purchase and support!

Along with this information sheet you will receive an order form. If you're willing and able to support this initiative please send back your order form as soon as possible to ensure your Orange Shirts will be delivered by Sept, 30 2025. Thank you, we hope with your support this year to be able to support #kamni'tik even further.

Thank you,

**Jared Basil
